

## Admin Bug Report

07/02/2024

The following warning message has been reported by our staff. They have never seen this message before:

The screenshot shows a web application window titled "Edit Template Level 2". It contains a form with the following fields:

- Component:** A dropdown menu with "Family History" selected.
- Description:** A text area with a CKEditor toolbar. A red warning box is overlaid on the text area, stating: "This CKEditor 4.13.0 version is not secure. Consider upgrading to the latest one, 4.24.0-Its." The word "Family" is partially visible in the background text.
- Sentence:** A text input field containing "Patient report of".
- Preselect:** A checkbox that is checked.

At the bottom right of the dialog are "Cancel" and "Save" buttons.
